Hi Jackie,

We (CITAB) have reached out to BEAD's ACB to also review the methodology described in the submission and will incorporate their response into our review. As part of our review, we note that MRID 51436403 contains what appears to be redacted information in various locations throughout the document. The registrant should provide us with an unredacted version of the document and, if appropriate, include any CBI in a confidential appendix per PR Notice 2011-3.

Thanks,

Kerry
